

4. International Fairtrade Towns Conference

5th -6th November 2010, Bonn, Germany

Dear sir or madam,

I am pleased to invite you to the 4th International Fairtrade Towns Conference! The past Fairtrade Towns Conferences took place in London, Brussels and Lyon.

We want to benefit of the conference, as we will get an overview about the aims that we already achieved during the past years. One of the emphases lies on examples of best-practice; every country should have the possibility to present its most successful methods and particular attainments. Furthermore we will discuss new ideas and develop new objectives. You can withdraw more detailed information about the topics in the agenda. A highlight of your stay will be the declaration of the city of Bonn as Fairtrade Town in the evening on Nov 5th.

In the following you will find some more information about the location, participants and the conference itself.

We look very forward to a positive response and hope you will enjoy the conference!

With kind regards

Kathrin Bremer
